I authorize any licensed physician to provide any proper medical treatment in the event of an emergency. I understand this authorization is given prior to any need for medical care and is given to avoid unnecessary delay for emergency treatment which the physician may deem advisable in the exercise of his/her best judgment. Although we expect the need will not arise, OUR DISCIPLINE POLICY is as follows:  
Respect for one another and the museum at all times is expected of each person on site. If several reminders of the above rule have been given by the adults in charge and ignored by the child, parents will be called to pick up their child early. If a child is asked to leave camp for a behavioral reason, no refund will be issued.

I agree to this rule: \_\_\_\_\_
